# PREMIUM PROTECTION | BODY GUARD

THE ULTIMATE CHEST PROTECTOR SPECIFICALLY DEVELOPED TO INTEGRATE WITH INDUSTRY LEADING LEATT NECK BRACES without compromising fit, protection or rider safety. Exclusively designed to allow Leatt neck braces to nest properly against a rider's chest and back. Tested by top pros and elite amateurs, our innovative patent pending design gives riders the power to choose from multiple configurations for customized comfort and fit, unobstructed motion, and unprecedented protection. In other words, the 5955 sets a new standard in the Moto industry.
